

Environmental Policy

The Murrina Group is committed to conducting business in a way that demonstrates the importance of environmental protection and sustainability. We are committed to minimising environmental impacts in all our operations by:

- Complying with all applicable laws, regulations and statutory obligations relating to environmental issues
- Taking all practicable steps to prevent pollution and other adverse effects
- Maintaining, monitoring, reporting, reviewing, auditing and continually improving the Environmental Management System and programs that are consistent with certification requirements of AS/NZS ISO 14001
- Providing adequate resources to implement and maintain our Environmental Management System (EMS).
- Implementing a framework for setting and reviewing environmental objectives and targets through:
 - Establishing and reviewing environmental performance measures.
 - Identifying, reporting, investigating and resolving all environmental incidents and non-conformances
 - Establishing, reviewing and communicating performance measures and taking action to improve outcomes
- Reporting to the Board on environmental performance, including infringements and regulatory non-compliance
