

## Return to Work Policy

In the event of a workplace injury or illness, we are committed to the following principles:

1. To assist in the earliest return to work for the employee consistent with the employee's best interest
2. To commit to the rehabilitation process as outlined by medical authorities
3. To protect and maintain the dignity of the employee and ensure that they actively participate in the process
4. To offer a non-confrontational, consultative environment at all times during the process
5. To implement a Return To Work program in conjunction with the rehabilitation provider
