

Safety Policy

The Murrina Group places a high value on the safety and welfare of people and is determined to operate in a manner that ensures all employees, sub-contractors and the general public in the locality in which we operate; free of injury and illness.

We will achieve this by:

- Through the application of our integrated and comprehensive risk management system in which measurable objectives and targets are set; aimed at the elimination of work-related injury and illness
- Compliance with the WHS Regulations plus all other applicable laws, regulations, Codes of Practice and Standards.
- Ensuring that all employees and sub-contractors operate according to our Safety Policy and corresponding procedures.
- The minimisation and control of hazards through the application of our risk management system.
- Utilising Tool Box Talks to actively communicate and involve all employees and sub-contractors in the application of our Safety Policy.
- Undertaking regular audits and inspections of our work sites.
- Ensuring that all incidents are fully investigated and reported accordingly with actions taken to reduce the risk of the incident occurring again.

All employees and sub-contractors are required to:

- Work in accordance with our safety policy and procedures
- Report any incident or near misses.
- Stop work where there is a threat to the safety of themselves or others
